## ABOUT - NEW HORIZON DENTAL COLLEGE AND RESEARCH INSTITUTE (NHDCRI)

In the year 2006 the New Horizon Dental College And Research Institute (NHDCRI) started its journey and has seen tremendous growth in the past 16 years. The Post-graduate programme (MDS) which was subsequently started in the 2012 which has set benchmarks in the field of dental teaching and research. NHDCRI has evolved over the past 16 years to occupy a cherished place in the minds of the students, faculty and alumni. Owing to an excellent track record of academic performance, it has consistently been a preferred choice of students wanting to pursue their undergraduate degree in dentistry as well as in various disciplines of postgraduation. A confident and enthusiastic team of teaching faculty backed by the management's commitment to providing good infrastructure ensures that a student leaves the portals of this institution well armed with proficiency, skills, knowledge and above all a supreme sense of confidence to tackle the future head-on. New Horizon Dental College covers all the aspects for grooming a student into a mature, knowledgeable, skillful and responsive dentist, ever willing to meet the needs of the patients and society at large. The institution aims at promoting research and innovation which will motivate better learning and exchange of knowledge among students and faculties. We welcome you to New Horizon Dental College And Research Institute (NHDCRI). We have no hesitation to adopt new technologies relevant to dental sciences.

# EXTRA CURRICULAR ACTIVITIES

## ABOUT BILASPUR

Bilaspur smart city is about 400 years old and the name of “Bilaspur” is named after the Fisher-woman named “Bilasa”. Despite many natural calamities, Bilaspur has developed a lot. Bilaspur district is situated between 21.47° to 23.8° north latitudes and 81.14° to 83.15° east longitude. Bilaspur is a city in the central Indian state of Chhattisgarh. It's divided by the winding Arpa River. The nearby villages of Ratanpur and Malhar are known for their ancient, intricately carved Hindu temples. To the north, Khutaghat Dam is framed by hills. Northwest of the city, Achanakmar Wildlife Sanctuary is a tiger reserve as well as Kanan Pindari in front of the college.
